

Brookbank Road R.O.W. Path and Treescap

Village of Downers Grove
Plan Commission Hearing
File PC-25-05
October 3, 2005

Rick and Julie O'Halloran
1202 Jefferson Avenue

Brookbank Road R.O.W Path and Treescape

- Save all the still-existing trees along Brookbank Road extension south to Jefferson Avenue
- Save the natural walking path on the west side of the Brookbank Road R.O.W.
- Three viable alternatives to saving all the trees and the path
- Relocate the proposed western water line to minimize damage to trees and shrubs
- Shift street to the east if necessary
- Require full 35-foot R.O.W. dedication or more if necessary to save trees and path

Thank you!
