Dear Mr. Beggs and Ms. Hamernik:

As a fellow resident of Downers Grove I would like to thank you for joining the Downers Grove Plan Commission. My neighbors and I are glad you have accepted this responsibility and that matters can now proceed.

This letter transmits clear copies of exhibits that the Jefferson Avenue Neighborhood already presented on the public record at the Plan Commission hearing on October 3<sup>rd</sup>, 2005 – in the hope that these will assist you in preparing for the Plan Commission hearing on December 12<sup>th</sup>.

The full-page Exception Analysis chart was omitted from the package you recently received. And the copies of the PowerPoint presentation “hand-outs” that I have reviewed in the Downers Grove Library (as well as the copies scanned electronically) do not fully convey the meaning of the original color format presented to the Plan Commission on October 3<sup>rd</sup>.

While these are only a substitute for viewing the original projected images, we trust that these materials plus the draft minutes will serve your purposes.

Sincerely,

John Schofield
