Mr. Joel Andersen  
Andersen Homes Ltd.  
P.O. Box 845  
Downers Grove, Illinois 60515

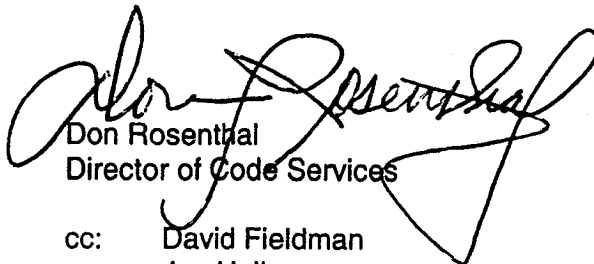

Dear Mr. Andersen:

We have continued to receive complaints about the silt fence at your property located at the northeast corner of Jefferson and Brookbank. Originally we felt that the development would start soon and the silt fence would be justified. But in view of the current circumstances (start date projected in the January/February timeframe), we are asking you to remove the silt fence.

Since the site is not currently under development, we are requesting that you remove the silt fencing by November 23, 2005. After that date we will ask the inspector for that area to issue violation citations each day until the silt fencing is removed.

I have coordinated this with Jon Hall (Stormwater Management), and he reluctantly concurs with my decision. We have appreciated your cooperation in the past and look forward to your cooperation concerning this issue.

Sincerely,

Don Rosenthal  
Director of Code Services
