February 18, 2006

Dear Neighbor,

It is important that you SPEAK UP this weekend, by email and telephone. Please contact your elected officials this weekend. Contact information is on the back of this flier.

Then please attend the Village Council meeting on:

Monday, February 20th at 6:30 p.m

(Note this is Monday, not the usual Tuesday schedule)

Speak up the the Village Council meeting! Be brief and to-the-point, perhaps only 3-5 sentences. Your time limit at the Village Council meeting will be 5 minutes, but we will tax the Council's patience if everyone takes that long.

The documents for the February 20th Village Council meeting are now online here:

<http://neighbors.nelsonmeadow.com>

Four documents are most the important to read, and I can share copies with you:

1. Manager's Report
2. Resolution
3. Subdivision Improvement Agreement (especially the provisions on pages 8 and 9)
4. Nelson Meadows Subdivision Parkway Tree Follow-Up

You will see that there is some progress on several smaller issues, but the BIG issues remain, with the direction in favor of the developer and to the detriment of our neighborhood:

- The stormwater detention easement is too small and there is no room for revisions
- A single homeowner will be responsible for 100% of the detention structure maintenance
- The plan creates a number of unsafe conditions, including slopes that are too steep
- Trees continued to be threatened
- Right-of-way width exceptions are not justified, and impact character of neighborhood

There may be others that you personally wish to contact your elected officials about.

Please plan to attend the February 20th meeting and speak up!

Thank you for your help and support!
